## Work Experience

**2022-CURRENT** — REMOTE/SAN FRANCISCO, CA

### Freelance Creative Director – Art Director

Working on 360 campaigns, video and photo shoot creative direction (pre & post-production), sales enablement tools and strategy, content strategy, email marketing campaigns, pitches, brand identity & development, and lots of decks. Clients: Clorox, Neutrogena, US Cellular, Crime Junkie - Audiochuck, Brightspeed

### Creative Director @ Unlock Her Potential

Providing creative direction for an organization providing mentorship for WOC

**2021-2022** — REMOTE/IRVINE, CA

### Creative Director @ ELAI

Led the Thermador creative team of art directors, designers, copywriters, and video editors to carry out the brand needs - from brand videos to showroom art to website development and photo shoots.

**2019-2020** — SAN FRANCISCO, CA

### Global Creative Lead – Digital @ Motive (fka KeepTruckin)

Assisted in building out the KeepTruckin brand (B2B SaaS start-up), refining the look, feel, and tone across all digital consumer touchpoints (website, social, photography, video). Helped design a holistic creative framework including brand architecture & strategy, design system, visual & copy style guide and video & photography approach, and content strategy, establishing creative consistency and elevating the user experience.

**2018-2019** — PALO ALTO, CA

### Global Associate Creative Director –

### Digital Experience & Marketing Innovation @ HP, Inc.

Led a team of UI/UX designers and copywriters for HP.com. Projects directly contributed to an 88% increase in sales on HP.com by redesigning the end-to-end user experience: evolving the look, feel, tone, ux, content strategy and brand/product storytelling. Supported CD in building the team, streamlining operations, and establishing a new global project workflow. Worked closely with stakeholders to create an efficient cross-functional team.

**2017-2018** — LOS ANGELES, CA

### Associate Creative Director @ Accenture Interactive (fka MXM)

Led a 10-person team of art directors, designers, copywriters, and editors for Allergan, one of the agency's largest revenue generating clients. Supported CD in rebuilding the department and maintaining strong senior client relationships, along with working on winning new business pitches. Clients: Allergan, Hulu

**2016-2017** — LOS ANGELES, CA

### Art Director @ Razorfish (fka Rosetta)

Worked on carrying out the strategic vision for Samsung including assets for Samsung.com, social, mobile, email, retail, video, B2B, and branded content.

**2014-2016** — LOS ANGELES, CA

### Art Director @ Caruso

Set the creative strategy for the Caruso brand and its portfolio of properties. Developed, styled, and art directed 360 integrated ad campaigns from conception to production - photo, video, digital, and social media content. Partnered with countless brands for campaigns and marketing plans.

**2012-2014** — LOS ANGELES, CA

### Art Director @ Golin

Helped gain billions of impressions and boost revenue 80% by working on reinventing traditional PR pitches into integrated campaigns across earned and owned channels. Clients: Toyota, Farmer John, Nestle, Nintendo, Cisco
